

South Grafton High School

BAGS POLICY

- Students may keep their bags with them, but they must be stored under the table and not impede any walkway in the class. This is at the discretion of the classroom teacher.
- Each class has a designated bag area. If instructed it is expected that the students will follow instruction and place their bag in the designated bag area.
- In PE bags are locked in the change room for practical lessons and in TAS bags are locked in a designated cage.
- Refusal to comply with these expectations will result in consequences as per the school's Welfare and Discipline policy.
